CITIZENS NEEDED

Want to have more of a say on how the council provides services such as education or housing?

Now's your chance.

More local people are wanted to join Brent Citizens' Panel, a representative group of around 2,000 residents which Brent consults to find out local people's views.

The role is vital in helping ensure the council provides the kind of services that local people want.

If you volunteer, you can devote as much or as little time to it as you want.

Panel members are asked to complete regular postal and/or online questionnaires – sometimes up to three a year – and may be contacted by telephone sometimes.
